WWW.EARSINC.NET ROARS TO LIFE!

Birth Announcement: The brand spanking new, robust and gregarious EARS website came roaring to life on September 29th, 2011 at 3:00 p.m.

We are so excited about our website's new "re-birth" we just had to share the news with you! There's lots of new photos, slideshows and videos, PLUS we now have an EARS blog, which from time to time, the big cats take over to converse with one another. We haven't yet figured out how they manage to type with such big paws!

The **EARS News** press page has links to news articles pertaining to EARS. The **EARS Updates & EARS Events** pages covers what's happening at & for the sanctuary. The **Grapevine** section are what animal lovers are saying about EARS. There's a **Domestic Adoption** page and a **Cool Links** page. There's tons more that we know you will enjoy! The tigers, lions, bears, monkeys, leopards, cougars all invite you to paws for a moment to check out www.earsinc.net & by all means, please drop us a line. We would LOVE to hear from you!

Of course, if you would like to make a tax deductible donation to the animals of EARS, you can do that, too, under the **Help Ears** tab, on the new EARS website. It's easy to **Help Ears**! If you prefer, you may also mail your donation to the address below. EARS depends on public support to keep the sanctuary operating so your donations really do make a difference and are appreciated!

Thank you! We hope you enjoy the new EARS website!
